AUA an electronic form initiative

Acceptable Use and Confidentiality of County IT Resources

Highlights

Reduces the costs associated with form printing and handling

Need to print, collect, and deliver paper are minimized. A single form is worked on and shared throughout.

Provides audit trail including whole approval process

Employee submission and signature is automated along with the manager review and approval. The process can be tracked and notifications are sent to each person as the form moves through the workflow process.

Improves tracking and reporting

Completed forms are stored in a secure repository for easy tracking and retrieval. Upon request, proof of completion can be easily generated. To track submissions, a report is available that shows employee submission status.

Provides easy access to County IT policies

Hyperlinks are embedded in the form for easy access to relevant Board of Supervisor (BOS) policies. By simply clicking on each of the policy names, employee can view the document.
